- ◆ Google Project Management Certification
- ◆ UVA Project Management Course
- ◆ Google Analytics Certification
- ◆ DP-203: Azure Data Engineering (In progress)

◆ PROFESSIONAL SUMMARY

Business Analyst and Project Coordinator with 7+ years supporting IT project delivery in PMO environments — requirements gathering, backlog management, Agile ceremony facilitation, stakeholder communication, and project documentation.. Experienced partnering with technical and non-technical stakeholders at all levels; comfortable managing multiple concurrent workstreams under shifting priorities..

◆ PROFESSIONAL EXPERIENCE

Freelance Project Manager & Systems Contractor

Jan 2026 – Present

[callcathai.online](#) · [primelayertrades.com](#) · [hereraspreadsheets.com](#)

- ◆ Managed IT project delivery across three concurrent client engagements — requirements gathering, scope definition, timeline management, stakeholder communication, and documentation for web application and systems integration projects.
- ◆ Developed and maintained project documentation: requirements specifications, acceptance criteria, status reports, action logs, and process documentation.

Operations Manager

Nov 2024 – Jan 2026

[Catalyzt Nutrition](#), Virginia Beach, VA

- ◆ Led cross-functional IT and systems projects across departments — requirements sessions with stakeholders, sprint planning, backlog management, and project coordination activities in a fast-paced operational environment.
- ◆ Maintained detailed project documentation in shared collaboration tools; managed milestone tracking, dependencies, and risk identification.

Data Analyst / Project Manager

Mar 2022 – Jul 2024

[Ferguson Enterprises Inc.](#), Remote

- ◆ Facilitated requirements-gathering sessions with C-suite and VP-level stakeholders; developed user stories, acceptance criteria, and technical specifications for data and systems projects.
- ◆ Managed project coordination in Azure DevOps using Agile/Scrum methodology — sprint planning, daily standups, sprint reviews, and retrospectives.

Smartsheet Administrator

Aug 2023 – Feb 2024

[SiteLogiQ](#), Remote (Contract)

- ◆ Supported PMO operations: maintained project documentation, tracked milestones and dependencies, collaborated with cross-functional teams on critical timelines.
- ◆ Provided training and support to Smartsheet users; ensured documentation and best practices were consistently maintained.
