Studies, Business Concentration
University of Tennessee, Knoxville,
TN — Aug 2019

CERTIFICATIONS

- ◆ DP-203: Azure Data Engineering (In Progress)
- ◆ Google Project Management Certification
- ◆ Google Analytics Certification

PROFESSIONAL SUMMARY

Business intelligence analyst with 7+ years of experience building SQL-driven reporting platforms, Power BI dashboards, and advanced analytical solutions for executive and operational stakeholders. Expert in complex SQL queries, SSRS-style reporting, advanced Excel (Power Query, Pivot Tables, XLOOKUP, ARRAY formulas), and CRM/channel performance analytics. Proven at eliciting business requirements, translating them into BI deliverables, and maintaining data integrity across high-stakes reporting environments. Strong documentation discipline and track record of cross-functional stakeholder partnership from project definition through delivery.

PROFESSIONAL EXPERIENCE

Freelance BI Analyst & Data Consultant

Jan 2026 – Present

Self-Employed

- ◆ [callcathai.online](#) — Built Power BI dashboards and SQL-driven BI reporting platform for digital call analytics; elicited requirements from business stakeholders, designed reporting architecture, and delivered documentation supporting ongoing operations.
- ◆ [primelayertrades.com](#) — Developed CRM campaign performance analytics and channel benchmarking dashboards; wrote complex SQL queries to extract and validate data across relational platforms with rigorous data integrity controls.
- ◆ [hereraspreadsheets.com](#) — Designed and delivered expert-level C-suite KPI dashboards and executive reporting infrastructure with advanced Excel models, Power BI visualization layers, and full requirements and SOPs documentation.
- ◆ Delivered analytical solutions across multiple client organizations — benchmarking channel performance, generating actionable insights, and translating complex datasets into clear executive narratives.

Operations Manager / BI & Reporting Lead

Nov 2024 – Jan 2026

Catalyzt Nutrition, Virginia Beach, VA

- ◆ Built Power BI dashboards and SQL reporting pipelines for multi-location operational and financial analytics; wrote complex queries against relational databases to extract, transform, and validate datasets for executive reporting.
- ◆ Elicited and documented business intelligence requirements from operational, finance, and marketing stakeholders; delivered full BI solution suite including dashboards, variance analysis, KPI tracking, and supporting documentation.
- ◆ Analyzed CRM and campaign performance data; provided recommendations for marketing strategy and operational improvement based on trend analysis and channel benchmarking.
- ◆ Maintained high data integrity standards across all reporting environments; validated results and investigated anomalies before presenting findings to leadership.

Data Analyst / Project Manager

Mar 2022 – Jul 2024

Ferguson Enterprises Inc., Remote

- ◆ Built BI reporting infrastructure for a large-scale, multi-location ecommerce and supply chain operation; wrote advanced SQL queries against MS SQL Server and BigQuery and built Power BI dashboards delivering KPI and financial insights to CFO, VP of Finance, and EVP of Sales.

Supply Chain Data Analyst

Jan 2021 – Dec 2021

ZenEvo Chocolate, Knoxville, TN

Data Analyst Student Assistant

Nov 2014 – Dec 2019

University of Tennessee
