♦ Google Analytics Certification · DP-203: Azure Data Engineering (In Progress)

## PROFESSIONAL SUMMARY

Sales operations and analytics leader with 4+ years architecting CRM workflows, designing executive BI dashboards, and driving commercial engine performance across multi-location organizations. Expert in translating raw CRM and operational data into strategic insights for sales leadership — building the pipeline visibility, performance metrics, and operational cadences that move sales teams from reactive to market-dominant. Advanced Power BI developer, AI-fluent systems thinker, and process builder with a track record of identifying inefficiencies and fixing them before being asked.

## PROFESSIONAL EXPERIENCE

### Freelance Sales Operations & Analytics Consultant

Jan 2026 – Present

#### Self-Employed

- ♦ [callcathai.online](#) — Architected CRM workflows and pipeline tracking systems; built Power BI executive dashboards and recurring sales performance reporting; leveraged AI (Claude API) to automate documentation and strategy deliverables for sales leadership.
- ♦ [primelayertrades.com](#) — Designed CRM opportunity tracking, deal registration workflows, and partner engagement dashboards; built competitive leaderboard and pipeline health metrics to drive data hygiene and sales accountability.
- ♦ [hereraspreadsheets.com](#) — Deployed sales operations reporting infrastructure including C-suite KPI dashboards, automated Excel models (VBA, Pivot Tables, XLOOKUP), and operational cadence frameworks aligned to sales lifecycle.

### Operations Manager / Systems Developer

Nov 2024 – Jan 2026

#### Catalyzt Nutrition, Virginia Beach, VA

- ♦ Architected CRM workflows and data hygiene processes across Salesforce and Zoho CRM; designed opportunity tracking, deal lifecycle automation, and sales performance dashboards adopted by the sales organization.
- ♦ Built Power BI KPI dashboards and executive reporting frameworks translating raw pipeline and operational data into strategic recommendations for leadership; defined operational cadences between field sales and operations.
- ♦ Leveraged AI tools to automate documentation, process design, and strategy development; embedded new sales methodologies through training, SOPs, and accountability frameworks that drove adoption across the team.

### Data Analyst / Project Manager

Mar 2022 – Jul 2024

#### Ferguson Enterprises Inc., Remote

- ♦ Designed and maintained Salesforce CRM workflows for a multi-location ecommerce operation; administered data integrity across accounts, opportunities, contacts, leads, and quotes; built pipeline reporting and recurring executive dashboards for EVP of Sales and VP of Finance.
- ♦ Translated raw CRM and operational data into executive-level strategy using Power BI; built multi-dimensional performance views across regions, business units, and segments adopted for C-suite and board-level decision-making.
- ♦ Identified and surfaced renewal, cross-sell, and expansion opportunities from CRM and install base data; acted as operational liaison between Field Sales, Finance, Operations, and Procurement.

### Supply Chain Data Analyst

Jan 2021 – Dec 2021

#### ZenEvo Chocolate, Knoxville, TN

- ♦ Built financial and operational performance reporting with monthly delivery to CEO and VP of Finance; identified and presented revenue improvement opportunities and performance trends to cross-functional leadership.
