PROFESSIONAL SUMMARY

Digital marketing analyst with 5+ years of experience in web analytics, SEO, campaign performance reporting, and AI-driven search optimization. Proficient in Google Analytics, Google Search Console, SEMrush, and Power BI — building dashboards and recurring reports that translate complex digital data into clear, actionable insights for marketing and communications teams. Experienced with UTM parameter frameworks, custom event tracking, and campaign measurement workflows. Hands-on practitioner of answer engine optimization (AEO) and generative engine optimization (GEO), with a track record of improving organic and AI-driven search visibility across multi-property digital environments. Self-directed, fully remote, and East Coast based.

PROFESSIONAL EXPERIENCE

Freelance Developer & Digital Marketing Analyst

Jan 2026 – Present

Self-Employed

- ♦ Built and maintained web analytics reporting infrastructure for production digital platforms — configuring custom event tracking, UTM parameter frameworks, and campaign measurement pipelines feeding recurring performance dashboards.
- ♦ Implemented AEO and GEO strategies across client digital properties — optimizing content structure, structured data markup, and entity authority to improve visibility in AI-driven and answer engine search results.
- ♦ Developed SEO strategies using keyword research, Google Search Console data, and SEMrush — monitoring organic ranking trends, identifying content gaps, and reporting performance against targets.
- ♦ Maintained accurate location data and online presence across digital properties — resolving listing inconsistencies, outdated content, and broken links to ensure data integrity across platforms.

Senior Data Analytics Manager

Nov 2024 – Jan 2026

Catalyzt Nutrition, Virginia Beach, VA

- ♦ Built and managed the organization's digital marketing analytics infrastructure — developed recurring campaign reports, KPI dashboards, and performance tracking across email, social, and paid channels.
- ♦ Established UTM parameter and event tracking standards across all digital campaigns; produced recurring and ad hoc reporting translating campaign data into actionable insights for marketing and leadership teams.
- ♦ Implemented SEO and AEO/GEO strategies improving organic search visibility; monitored ranking performance and identified optimization opportunities across content and site structure.
- ♦ Partnered with marketing and communications teams to evaluate digital channel performance, surface trends and data issues, and recommend optimizations — presenting findings directly to leadership.

Data Analyst / Project Manager

Mar 2022 – Jul 2024

Ferguson Enterprises Inc., Remote

- ♦ Developed Power BI dashboards and KPI frameworks translating digital and operational performance data into executive-ready reporting adopted across Finance, Operations, and Marketing.
- ♦ Built recurring and ad hoc data extracts and reporting workflows supporting campaign and business decisions; maintained data quality and consistency across all reporting outputs.
