PROFESSIONAL SUMMARY

Organized and detail-oriented operations professional with 10+ years supporting business workflows, maintaining accurate records, and coordinating across multiple departments. Proven ability to manage documentation systems, review records for accuracy and completeness, and keep operational information structured and accessible. Skilled at working independently in remote environments, handling confidential information with discretion, and adapting to shifting priorities without sacrificing quality.

PROFESSIONAL EXPERIENCE

Freelance Operations & Data Analyst Contractor

Jan 2026 – Present

Self-Employed

- ♦ Managed documentation, reporting workflows, and operational systems for multiple client engagements simultaneously.
- ♦ Maintained organized digital records and delivered accurate reporting outputs on established timelines.

Operations Manager

Nov 2024 – Jan 2026

Catalyzt Nutrition, Virginia Beach, VA

- ♦ Coordinated day-to-day operational workflows across marketing, logistics, and analytics functions; maintained organized documentation and filing systems for business records.
- ♦ Reviewed and ensured accuracy of operational data, client records, and process documentation before internal processing and distribution.
- ♦ Managed cross-departmental communications and administrative workflows, ensuring teams had timely access to the information needed to deliver client service.
- ♦ Handled confidential business and client information with discretion; maintained documentation governance standards.

Supply Chain Analyst

Aug 2024 – Nov 2024

Born Primitive, Virginia Beach, VA

- ♦ Created and maintained SOPs and operational documentation for supply chain processes.
- ♦ Managed vendor records, KPI scorecards, and compliance documentation across multiple distribution channels.
- ♦ Coordinated with internal teams and external carriers to track status, resolve discrepancies, and maintain accurate records.

Data Analyst / Project Manager

Mar 2022 – Jul 2024

Ferguson Enterprises Inc., Remote

- ♦ Maintained centralized project documentation, records, and reporting infrastructure used across multiple departments.
- ♦ Coordinated with operations, finance, and compliance teams to keep business information accurate, organized, and accessible.
- ♦ Reviewed data and documentation for accuracy and consistency before reporting to leadership and external stakeholders.
