◆ PROFESSIONAL EXPERIENCE

Freelance Developer & Digital Marketing Specialist

Jan 2026 – Present

Self-Employed

- ◆ Built and deployed multiple production client websites in Next.js and Webflow, with SEO optimization, UTM tracking implementation, and Google Analytics configuration: PrimeLayer Solutions, Kizuna Performance, CallCatch AI, Herera Spreadsheets.
- ◆ Implemented GA4 tracking, Google Tag Manager configurations, and conversion tracking across client sites; monitored performance and produced reporting recommendations.
- ◆ Developed branded landing pages, pop-up forms, and client-facing web content for contractor engagements with attention to cross-device responsiveness and rendering quality.

Operations Manager

Nov 2024 – Jan 2026

Catalyzt Nutrition, Virginia Beach, VA

- ◆ Owned email marketing infrastructure — built and maintained Klaviyo campaigns, customer journey automations, and audience segmentation workflows; monitored deliverability and campaign performance metrics.
- ◆ Built marketing automation workflows connecting CRM, email platforms, and operational systems through APIs and custom integrations; replaced manual marketing hand-offs with automated multi-step pipelines.
- ◆ Managed digital marketing execution across Meta Ads, email, and social channels; maintained UTM tracking standards and produced performance reports for leadership.

Data Analyst, Project Manager

Mar 2022 – Jul 2024

Ferguson Enterprises Inc., Remote

- ◆ Built executive dashboards and KPI reporting frameworks using Power BI; maintained tracking standards and data integrity across marketing and operations reporting.
- ◆ Led cross-functional technology implementation projects including marketing platform integrations and CRM tooling; evaluated tools, defined requirements, and drove adoption.
- ◆ Managed EDI and API/webhook integrations connecting enterprise platforms — experience directly applicable to marketing platform integration support.

Owner and Founder

Jan 2018 – Dec 2021

Maker City Pallet Works, Knoxville, TN

- ◆ Built and managed all digital marketing infrastructure for the business: local SEO, Meta ad campaigns, email marketing (Mailchimp/Klaviyo), and social media automation.
- ◆ Maintained website content and updates; monitored analytics and adjusted campaigns based on performance data.
- ◆ Managed client communications and project tracking while maintaining quality and accuracy across all customer-facing outputs.
