PROFESSIONAL SUMMARY

AI Business Solutions Specialist with 7+ years building and deploying no-code/low-code workflow automations, business systems, and AI-enabled tools for enterprise and mid-market clients. Experienced acting as the primary business unit liaison — gathering requirements, mapping current-state and future-state processes, configuring platform solutions, writing integration specs, and driving end-user adoption through structured training and documentation. Fluent in AI tool ecosystems including Claude, Microsoft Copilot, and Power Platform; practiced at gathering feedback, measuring adoption, and promoting AI capability rollout to non-technical stakeholders.
