PROFESSIONAL SUMMARY

Business Intelligence Analyst with 10+ years turning raw data into executive-ready insights and commercial decisions. Expert in building dashboards, modeling adoption curves and commercial scenarios, and translating ambiguous business questions into structured analyses with clear, confident recommendations. Strong background in CRM analytics (HubSpot), revenue and pipeline data, win/loss analysis, and market intelligence. Proven ability to partner with marketing, sales, finance, and product leadership — delivering insights that change strategy, not just reports that describe history.
