ALEXANDER TOBIN

AI Business Transformation Analyst | Value Realization | Portfolio Analytics | BI Dashboards

(757) 289-1204 ♦ atobin@alum.utk.edu ♦ Virginia Beach, VA

PROFESSIONAL SUMMARY

AI Business Transformation Analyst with 7+ years designing and operationalizing performance measurement frameworks, AI-enabled workflow solutions, and executive-facing portfolio reporting systems. Proven track record partnering with C-suite stakeholders to define measurable outcomes, track business value realization, and communicate AI investment performance in language that drives decisions. Expert in prompt engineering, no-code/low-code AI agents, Power Automate, and Copilot Studio — with equal depth in the business analysis, stakeholder management, and change management disciplines that make AI transformation succeed where others fail.
