PROFESSIONAL SUMMARY

FP&A; leader with 4+ years owning budgeting, forecasting, variance analysis, and consolidated financial reporting across multi-location organizations. Managed quarterly budgets from \$100K to \$1.2M annually and delivered monthly, quarterly, and annual P&L, cash flow, and balance sheet packages directly to CEOs, CFOs, VPs of Finance, and EVPs of Sales. Expert in building the financial planning infrastructure — models, dashboards, controls, and reporting cadences — that executive and operational leadership relies on for strategic decisions. Advanced Excel modeler, Power BI developer, and SQL-based data pipeline builder with a consistent track record of improving reporting accuracy, automation, and cross-functional financial visibility.

PROFESSIONAL EXPERIENCE

Freelance FP&A; Consultant & Developer

Jan 2026 – Present

Self-Employed

- ◆ [callcathai.online](#) — Supported FP&A; function including budget modeling, rolling forecast maintenance, and variance analysis; built Power BI executive dashboards with automated financial data pipelines for leadership decision-making.
- ◆ [primelayertrades.com](#) — Delivered consolidated P&L; and performance reporting; developed financial models for scenario analysis and margin trend identification; presented actionable cost and revenue insights to executive stakeholders.
- ◆ [hereraspreadsheets.com](#) — Designed financial planning infrastructure including budget templates, variance reporting frameworks, and C-suite KPI dashboards tracking operational and financial performance against targets.
- ◆ Designed and delivered expert-level C-suite KPI dashboards and executive reporting infrastructure for client organizations; built multi-dimensional performance frameworks with automated pipelines and real-time visualization layers for leadership decision-making.

Operations Manager / Systems Developer

Nov 2024 – Jan 2026

Catalyzt Nutrition, Virginia Beach, VA

- ◆ Owned budgeting and forecasting processes across a multi-location operation; managed quarterly budgets, conducted monthly variance analysis against actuals, and delivered consolidated financial results to executive leadership.
- ◆ Analyzed sales, margin, and expense trends to identify cost-saving opportunities and process improvements; presented strategic financial recommendations to the CEO and executive team.
- ◆ Built C-suite KPI dashboards and financial performance reporting in Power BI; automated reporting workflows to improve data accuracy and reduce cycle time across Finance and Operations.
- ◆ Partnered with Operations on capital decisions and cost strategy; maintained financial data integrity and controls across all reporting systems.

Data Analyst / Project Manager

Mar 2022 – Jul 2024

Ferguson Enterprises Inc., Remote

- ◆ Led FP&A; reporting for a multi-location ecommerce and supply chain operation; owned annual budgeting and rolling forecast cycles, managed budgets from \$100K quarterly to over \$1M annually, and delivered monthly variance analysis to the CFO, VP of Finance, and EVP of Sales.
- ◆ Prepared monthly, quarterly, and annual consolidated P&L, cash flow, and performance reports; analyzed margin, expense, and revenue trends to surface cost reduction and performance improvement opportunities.

Supply Chain Data Analyst

Jan 2021 – Dec 2021

ZenEvo Chocolate, Knoxville, TN
