PROFESSIONAL SUMMARY

Creative and detail-oriented Website Specialist with 5+ years of hands-on experience building, managing, and optimizing client-facing digital experiences. Proficient with modern website builder platforms and experienced designing user-friendly, visually engaging layouts customized to client brand and business goals. Background spans digital content creation, SEO optimization, campaign management, and cross-platform digital design — with a proven ability to rapidly learn and master new platforms and tools. Adept at collaborating across teams to deliver polished web solutions that drive customer engagement and business growth.

PROFESSIONAL EXPERIENCE

Operations Manager

Nov 2024 – Jan 2025

Catalyzt Nutrition, Virginia Beach, VA

- ♦ Built and maintained client-facing digital infrastructure including branded forms, interfaces, and content portals customized to client workflow and visual identity.
- ♦ Managed social media presence across Facebook, Instagram, and TikTok — creating compelling copy and visual content that drove engagement and brand awareness.
- ♦ Ran and optimized Meta Ads and Google Ads campaigns, applying analytics data to improve performance and ROI.
- ♦ Executed email marketing campaigns via Mailchimp and Klaviyo, managing content, design, and audience segmentation.
- ♦ Rapidly learned and mastered multiple proprietary platforms and tools to deliver client-ready digital solutions on tight timelines.

Data Analyst / Project Manager

Mar 2022 – Jul 2024

Ferguson Enterprises Inc., Remote

- ♦ Managed and updated web-facing content and data portals supporting ecommerce operations for a \$29B+ enterprise distributor.
- ♦ Collaborated cross-functionally with stakeholders to ensure digital tools and content aligned with business requirements and user experience standards.
- ♦ Introduced and implemented centralized digital platforms that improved team collaboration and visibility.
- ♦ Delivered digital solutions iteratively, adapting quickly to evolving requirements and new tools.

Owner and Founder

Jan 2018 – Dec 2021

Maker City Pallet Works, Knoxville, TN

- ♦ Built and managed the company's full digital presence including website, social media channels, and local SEO — from scratch.
- ♦ Designed and executed organic content strategies across web and social platforms, creating copy and visual assets that built brand identity and drove local B2B and B2C sales.
- ♦ Managed local SEO optimization, Meta ad campaigns, and social media marketing end-to-end.
- ♦ Handled all client-facing digital communications and content updates, maintaining a consistent and professional brand voice across channels.

Smartsheet Administrator

Aug 2023 – Feb 2024

SiteLogiq, Remote (Contract)

- ♦ Customized and maintained client-facing digital workspaces and interfaces, tailoring layouts and content to align with organizational needs.
- ♦ Provided end-user training and support, ensuring smooth adoption of new platforms across diverse teams.
- ♦ Demonstrated strong ability to quickly learn proprietary tools and deliver polished, user-friendly solutions.
